TO: Water Tasting Contest
FROM: Timothy J. McGuire, P.E.
 Water Week Chairman
DATE: March 21, 2017
SUBJECT: 2017 Water Tasting Contest and Booth Duty Volunteering

The Public Relations Committee will be organizing the Annual LIWC Water Taste Contest to take place from May 8th through May 12th at the Campus Center at SUNY Farmingdale (AWWA Water Week). We are asking for last year's winner's (South Huntington and Old Westbury) to return the trophies to H2M for display during the competition. Please notify Tim McGuire at H2M if you are interested in participating in this year's water taste contest via email: timcguire@h2m.com or phone: 631-756-8000 ext.1415.

Every year the Committee needs the help of all the members to assist in manning the informational display booth. The committee asks all its members to volunteer at least a few hours of your time to help promote the Conference and the water supply industry on Long Island. All volunteers are invited to a social event hosted by the LIWC YP Committee after the last day of the contest – details to follow.

Please note that we will be sending out another memo with instructions for the participants and volunteers **one (1) week** before the competition. If you have any questions please feel free to contact Tim McGuire at H2M.

If you can help us during the week, please fill out the bottom his form and fax it to: Tim McGuire at H2M. Fax No.: 631.694.4122 or email your choice to timcguire@h2m.com.

Thank you for your assistance.
